PROFILE

Driven and dependable individual with a strong passion for software engineering, actively pursuing opportunities to enhance technical skills and industry knowledge. Highly motivated to take on challenges, committed to continuous learning, and focused on delivering quality solutions. Eager to contribute effectively within a team environment, take on responsibilities, and grow into a qualified professional in the dynamic field of software engineering. Seeking a position where I can leverage my skills, dedication, and enthusiasm to add value and gain hands-on experience in the industry.

PROJECTS

Auto care(Web Application)
Technical Skills - ReactJS | MongoDB | NodeJS / ExpressJS
Revolutionizing vehicle care by streamlining service centers through an innovative automated web application with cutting-edge technology features.

Expense-Teacker(Web Application)
Technical Skills - ReactJS / NodeJS / ExpressJS / MySQL
This expense-tracking web application helps users log daily expenses and provides a monthly summary to manage their budget. Users can create accounts and keep track of their spending easily, making it simple to handle their finances over time.

Cafe-Shila(Web Application)
Technical Skills - PHP CodeIgniter | SQL | HTML| CSS | Bootstrap
This e-commerce website is designed for a café, where users can create accounts and log in to browse items. Customers can add products to their cart and complete purchases securely. The site offers a smooth shopping experience with an easy-to-use interface and navigation.

MediReminder (Web Application)
Technical Skills - ReactJS | MongoDB | NodeJS / ExpressJS
A web application designed to assist users with medication management by allowing them to create accounts, log in securely, and add their medicine prescriptions. The app sends timely reminders to ensure users take their medications on schedule, promoting adherence and better health outcomes

EXTRA CARICULAR ACTIVITIES

PLAYER - BASKETBALL TEAM
University of Moratuwa
COORDINATOR - BASKETBALL
Sports Club of ITUM (Present)
